

DIXIE HIGH SCHOOL - CLASS OF 1968

Dear Classmate,

Our 50th Class Reunion is right around the corner, it is hard to believe that it has been 50 years since graduation. A lot of things have happened in the world, our lives and our community. It is always great to remember those fun, terrifying, interesting, life changing times and what better way than to share your memories with those who were there with you. Let's make it a big party to celebrate 50 years since graduation!!

We are planning to have two get-togethers; one for classmates and one for classmates and spouses.

Friday, September 21, 2018 - 7:00 PM - Water Tank on the Red Hill - Hot Dogs with full condiment bar will be served..

In case of bad weather, Dixie High School Cafeteria, 350 E. 700 S.
